*"Toyota Australia announced early 2019 that it would launch the luxury version of the Hiace, the all-new Granvia to replace the ageing Tarago. However, describing the all-new 2020 Toyota Granvia as the successor to the outgoing Tarago is, perhaps, a little misguided as per **CarAdvice**."*

BUS 4x4 CUSTOMER STORIES

ROSS & JUNE LIVE THE DREAM IN THEIR BUS 4x4 LANDACE CAMPERVAN

Ross and June from Tasmania bought the one-of-a-kind Landace; a custom build from Bus 4x4 to live the outback dream. Their journey to convert this unique vehicle into an off-road 4WD Campervan is quite interesting as well as the questions they are asked during their travels across Australia.

An excerpt from their story which can be read in full by clicking [here](#) ...

"Having travelled most of our lives, we are not late bloomers like many people who start living the dream in their twilight years. However, we were looking for a 4WD motorhome to suit our plans to go more off-road than what we had done previously."

Nullagine is located 189 km north of Newman or a 16 hour drive from Perth.
