## A Fresh New Look

We have rebranded our signage at our corporate office, warehouse, and internal spaces to reflect our new strategy and our commitment to deliver 'more go' for our customers. To know more on how we do business, click [here](#) to visit our website.

Warm Regards from **The Bus 4x4 Team**

# WHAT'S HAPPENING?

## NEW REBRANDING

As we move forward into the future, we commit ourselves to the highest standards of Customer Service and to passionately go above and beyond to deliver for our customers, ensuring every customer has 'more go' for their business.

[Click here](#) to read more about our re-branding.

## VEHICLE DELIVERIES

Congratulations to John & Helen who picked their Bus 4x4 Conversion of Coaster (Motorhome). We also delivered several mine specifications Coasters to mining companies in April 2022.

For more details of the **Bus 4x4 Conversions**, call **+61 7 3276 1420**.

## UPGRADED HIRE FLEET

We are upgrading our hire fleet with our new corporate identity for simple and impactful messaging. If you would like to know more about our hire options, call us on **+61 7 3276 1420**

## FLOOD RECOVERY VOLUNTEERING

**Well done to Andrew and Mary Massey**, Bus 4x4 Conversion of Hiace LWB customers, who travelled down to Casino NSW to volunteer for BlazeAid, a non-profit charity to help farmers repair fences after bush fires and floods.

BlazeAid taps into the vast labour force of grey nomads, backpackers and students for disaster recovery, helping farmers to re-establish boundary fences and contain stock.

**Click to read more details on the Bus 4x4 website.**

**DID  
YOU  
KNOW  
?**

**KATHERINE, NT**

NT's fourth largest settlement Katherine is known as the place "where the outback meets the tropics". Katherine is the central hub of the Savannah Way which stretches from Cairns in Qld to Broome in WA and is full of gorges, waterfalls, thermal springs and ancient cultures.

Katherine lies 320 kms south-east of Darwin on the Stuart Highway.

**Most Australian state borders are open for inter-state travel. However, restrictions may still apply to cross borders. Please check with the authorities for exit/entry requirements before travel**

## NEWS AND VIEWS FROM AROUND

### AR TECH

Tourism companies are investing in new technologies such as augmented reality (AR) which could provide a platform for people to meet, plan trips together, and learn about different historic sites in a virtual environment before they travel.

[Click here to read more on the Breaking Travel News website.](#)

### HERITAGE

Gary and Wendy Baker from Cloncurry are making it a mission to protect centuries old mining ruins.

The mining ruins include a 40 km railway line which was built in the early 1900s, a tunnel, a tramway and the remains of former towns of Ballara and Hightville.
